Peacemaker or breaker?

Peace breaker

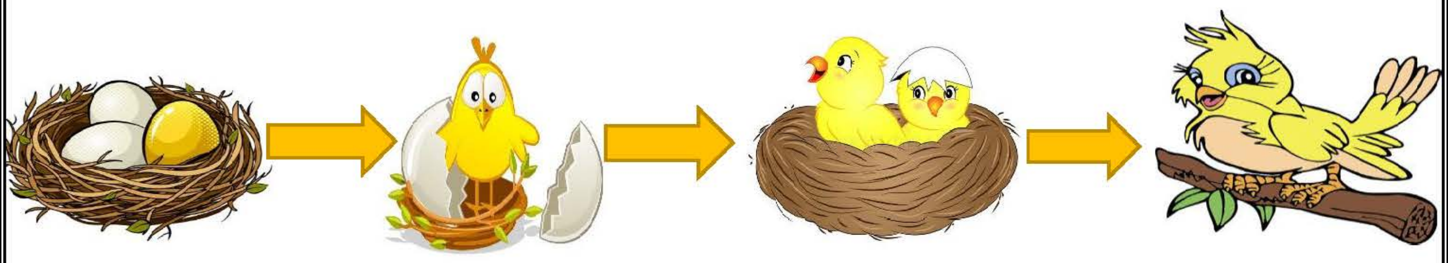

Peacemaker

Baby's life cycle:

Baby | Child | Teenager | Adult | Oldie

Bird's life cycle:

Golden eagle:

It has:

- Large wings to help in fly.

-Strong talons to catch the prey.

-Strong beak to eat.

-Good eyesight.

Healthy food:

Calcium

Teeth & bones

Protein

muscles

Vitamin

Healthy body &bones

Carbohydrates

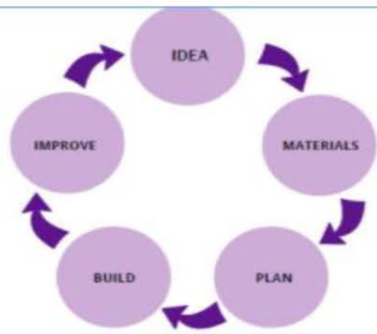

Give energy

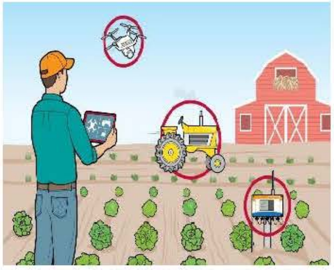

Fibers & Iron

Healthy body &bones

Engineering design process

Categorizing Jobs

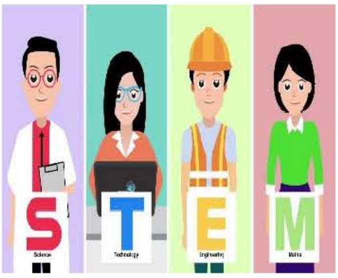

Agricultural Jobs

- Agriculture
- Engineer

Industrial Jobs

- Builder
- Plumber
- Mechanic
- Construction worker

STEM Jobs

- Engineer
- Software developer
- Physiologist

Tourism Jobs

- Travel agent
- Tour guide
- Hotel manager

Medical Jobs

- Doctor
- Pharmacist
- Nurse

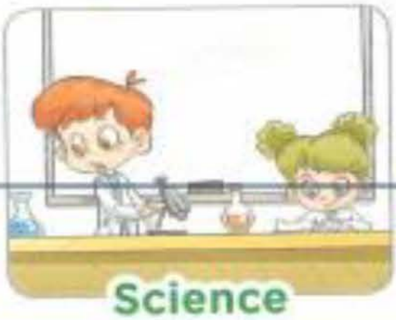

Commercial Jobs

- Seller

Income:

Is the money that we get from a job.

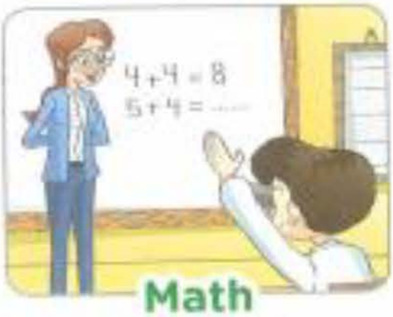

Different topics in our school which workers need them in their jobs such as

Science

Doctor

Math

Banker

Technology

Computer programmer

Art

Painter

Choose:

....

your pen – Please – Can I use

....

Please – bad words – stop saying

....

the doll – We can play with – for 5 minutes – the ball – then play with – for 5 minutes

....

....

Match:

Baby bird grows up

Baby birds can fly and leave the nest

Baby birds break the eggs

Baby birds in the eggs

Theme 2

Day sky:

Sun

Clouds

Night sky:

Moon

Stars

Clouds

Planetarium

Constellations:

This is *Canis Major* constellation

The brightest star in it called *Sirius*

Constellation: a group of stars that form an imaginary pattern in the sky.

Shadow:

For the shadow, we need:

1/Light source

2/ An object

3/ A surface

Far and near:

The nearer is bigger

The farther is smaller.

The sun is nearer to us than other stars. That is why it appears to us

Telescope

We use it to see far things in the sky

Habitats:

Ocean

Farm

Forest

Desert

Birds in Egypt:

Egret

Goose

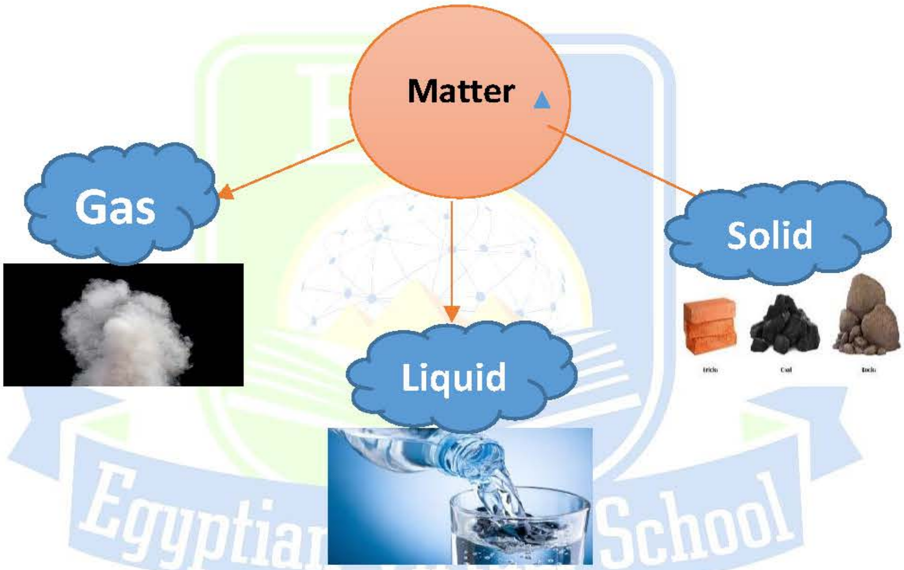

Dove

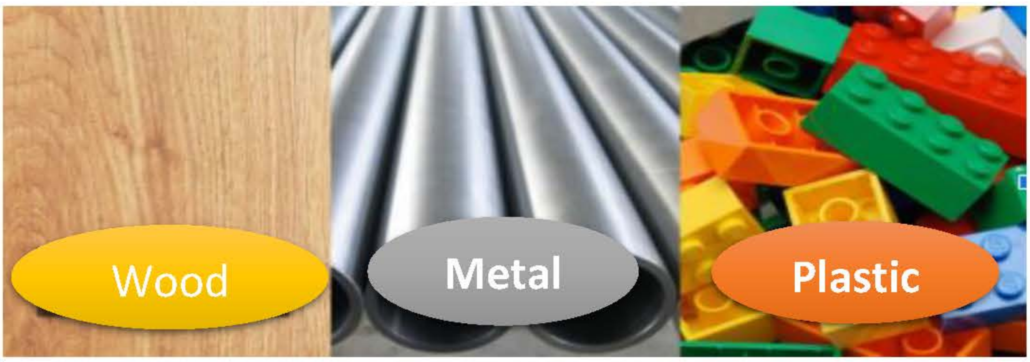

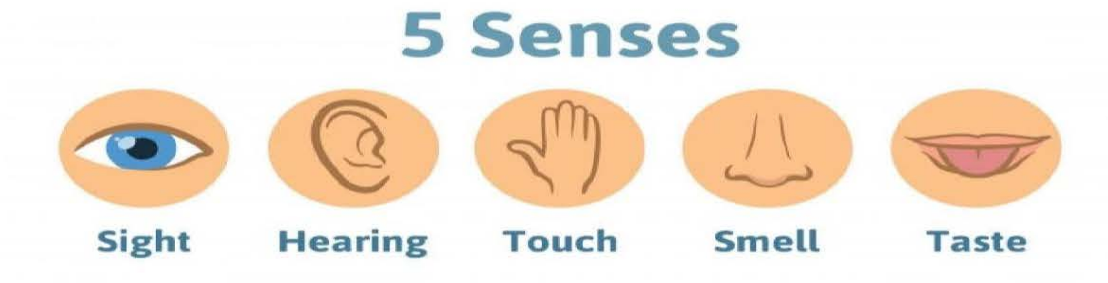

Dam

Control floods and generate electricity

Material:

Our world:

Our planet is called Earth.

Most of the surface Is covered by water

Iceberg

Fresh water

Rains

Lakes

Rivers

Springs

Salty water

Seas

Oceans

Reversible or not reversible:

Not reversible

Reversible

Choose:

1- I use sense of .... to observe the sky

a. Hearing

b. sight

c. tasting

d. touching

2- In both day sky and night sky, I can see..............

a. moon

b. sun

c. stars

d. clouds

3- Planetarium is a place to learn about ....

a. the school

b. the body

c. the sky

d. the family

4- in the Planetarium you can watch movies about ....

a. galaxies

b. history

c. famous characters

d. Egypt

5- Planetarium is in ....

a. Luxor

b. Alexandra

c. Hurghada

d. Cairo

6- It is the ………… form of matter.

a. Liquid

b. Gas

c. Solid

d. water

7- It is the ………… form of matter.

a. Liquid

b. Gas

c. Solid

d. water

8- It is the ………… form of matter.

a. Liquid

b. Gas

c. Solid

d. water

9- The camel lives in ....

a. forest

b. city

c. desert

d. farm

10- The .... is a natural object.

a. Axe

b. Sun

c. Tractor

11- .... Lives in the ocean.

a. whale

b. cow

c. eagle

d. Polar bear

12- Dove eats ....

a. fish

b. seeds

c. bee

d. grass

13- Goose eats ....

a. fish

b. seeds

c. bee

d. grass

a. forest

b. city

c. desert

d. farm

15- This T-shirt is made off …….

a. glass

b. wood

c. cloths

d. clay

True or false:

1- The iceberg is much cooler than Egypt.

2- Clouds are made of ice.

3- This type of ice formation is called iceberg.

4- The old Egyptians build the pyramids by using wood

5- The snowman is made of paper.

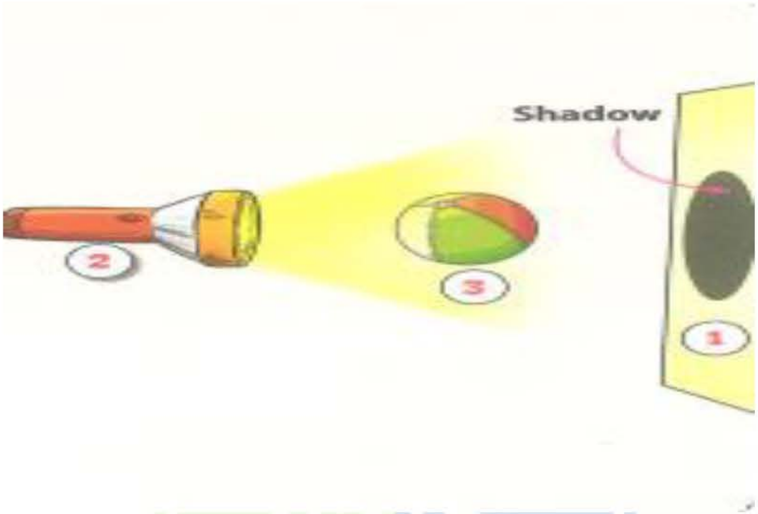

6- The heat of the sun affects the ice.

7- The cooked egg is reversible.

8- The ice is reversible.

9- Out planet is called Venus.

10- the dam are used in preventing floods only.

(An object – A surface – Light source)

1- …………….

2- …………….

3- …………….

Classify into natural objects and human made objects:

Rainbow

Plane

Clouds

Rocket

Moon

Sun

Natural:

Human made:

Match:

Forest

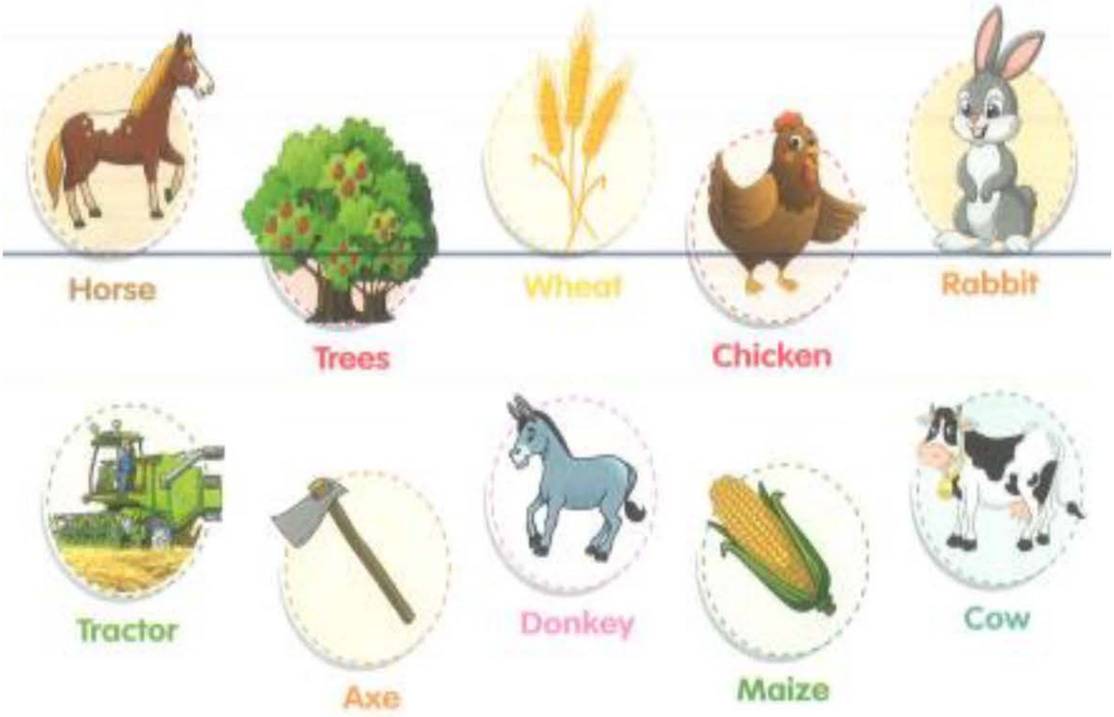

Desert

Farm

Ocean

Farmland environment

Plants such as ....

....

Animals such as ....

....

Human-made objects such as ....

....

<u>Circle the objects that may hurt the environment:</u>

	Solid	Liquid	Gas
 Water			
 Pencil			
 Air (inside the balloon)			
 Oil			
 Marble			
 Sugar			

(smooth - paper - wood - rectangular - cloth - soft - glass - red)

It has .... sound.

It is made of ....

It has .... texture.

It is made of ....

It has .... color.

It is made of ....

It has .... shape.

It is made of ....

Match:

 Taste

 Smell

 Sight

 Touch

 Hearing
